

10 years in business

Turn IT On!

2013 in numbers

There are currently

350

schools receiving Turn IT On support

We employed

18 new

people in

and **71** is now the number of employees Turn IT On has

and were shortlisted for **2** Bett Awards

We ran **1** Bett Bus

20

Our consultants carried out around **6739** school visits in 2013

Approximately

3500

school staff are supported

We began supporting another **80** schools in 2013

66 more schools chose to receive

SIMS/FMS support from us

amounting to about **23,587** hours of onsite support

and **103** more schools opted to receive their broadband from us

by Turn IT On

Schools received

1891 quotes from us for installations and orders

and around **87500** students are too

perhaps

because of our

1 newly acquired

Capita SIMS Accreditation

and we carried out **474** installations (that's nearly 10 a week)

We installed **111** broadband lines in 2013

meaning we now support **128** schools' SIMS/FMS

Our technical helpdesk has dealt with

3266

calls this year

We have published

106 tweets

We now have **5** account managers visiting schools

which **32** new subscribers have opted to receive

We held **20** curriculum training sessions

89 school staff attended which

64 blogs and **12** curriculum newsletters

So what does this all mean?

It means Turn IT On, its employees

and its customers are thriving and have had an **awesome 2013!**
