## Why you should attend:

- Learn from industry experts about the savings to be made and the uses of Windows 8 with the new curriculum.
- Learn the best ways to make use of the new devices and apps for which your school may have made provision in your new budget
- Use the opportunity to ask questions and begin discussions
- The day is free of charge; we will even provide transport for a limited number of attendees where required
- Make use of a rare chance to take a look round the impressive Reading Microsoft Campus

## Get there for free:

For a limited number of attendees Turn IT On is providing a free coach which will run from Oxford via High Wycombe to Reading in the morning and drop off at these locations on the return journey in the afternoon.

### Feedback about our curriculum training sessions:

"It was a pleasure to have the trainer with us. He was personable, enthusiastic, positive and made staff feel that they had the skills to implement the new curriculum. He had an easy style, which meant that staff didn't feel threatened and the whole session was helped by the fact that we knew he had taught and that he could give us examples from his own experience."

**Viv Hutchinson, Headteacher  
Marcham CE Primary School**

Spaces on the training day and the coach are limited and are on a 'first come first served' basis.

It is essential that you book a place on the coach and the training day before the event. You will not be guaranteed a place unless you have received a confirmation email from Turn IT On.

Bookings on both the coach and the training day will be subject to a £50 cancellation fee, payable by the school to Turn IT On.
