

Today's Agenda

Introductions

Microsoft Vision in Education

Windows 8.1/Devices

15 minute Q & A

Lunch 12- 12:45

Curriculum Workshop
Office 365/Student Advantage
MS Licensing
Wrap Up/Close

Mark Reynolds

Sales Manager
Education & Third Sector

@themarkreynolds

Understand the big trends in
the **IT industry** and what
they mean for **schools**

See how **Microsoft** is
working with our partners to
Transform Education

a PC on every
desk and in
every home..

A vision for the future
(1983).

A man in a dark suit and blue shirt is shown from the chest up, looking upwards and to the right with a thoughtful expression. An orange thought bubble is positioned above his head, containing the text "a devices and services company".

a devices and
services
company

A vision for the future
(2013).

Supporting Educators

"So many of us have a great teacher to thank for our achievements. That's why I'm so proud that Microsoft in Education continues to support innovative teachers around the globe."

- Bill Gates, September 2013

Helping Transform Education

We are delivering services and experiences that bring learning to life in and out of the classroom and allow education leaders to reimagine how technology can modernise learning and improve student outcomes.
